Survey of sick Industrial units

*195. DR. MOHD. HASHlM KIDWAI: Will the Minister of INDUSTRY be pleased to state:

(a) whether any survey has beeₙ con ducted of the industries lying sick at present both in' the public sector and the private sector;

(b) if so, what are the detailₛ of such a survey; and

(c) whether any plan has been drawn up for revival of these industries and if soⱼ what are the details thereof?

THE MINISTER OF INDUSTRY (SHRI J. VENGAL RAO) . (a) and (b) The latest study report by the Reserve Bn.nk of India to analyse the causeₛ of industrial sickness was submitted to Govt, early thiₛ year. The Study covered 1200 non-SSI sick units falling in twelve broad industrial groups. The Study indicates that management deficiency is the major con-tributive cause for sickness Apart from this, the other causes are market problems, project shortcomings, infrastructural problems, 1 pbour problems, obsolescence and financial problems.

(c) A statement giving the policy measures takeₙ to prevent industrial sickness is attached.

Statement

For revival of sick industrial units, Government of India have got ₐ uniform policy for the whole country. Some of the important aspects are as follows:

(i) The Government have enacted a comprehensive legislation namely "The Sick Industrial Companies (Sriecial provisions) Act, 1985". A quasi-judicial body designated as The Board for Industrial and Financial Reconstruction (BTFRV haₛ been set up under the Act to deal with the problems of sick industrial companies in aₙ effective manner, which has become operational with effect froₘ the 15th May, 1987.

(ti) The Reserve Bank of Indh have issued guidelines to the bank.., for strengthening the mon'torino systems and for arresting industrial sickness at the incipient stage so that corrective measures are taken in time.

(iii) The banks have also been directed by the Reserve Bank of India to formulate rehabilitation packages for the revival of potentially viable units. The bankₛ nd financial institutions evolve rehabilitation packages for the revival of sick units.

(iv) Reserve Bank of India have also issued guidelines separately to the banks indicating parameters withiₙ wnich banks could grant reliefs and concessions for rehabilitation of potentially viable sick units without reference to RBI both in the large and small scale sectors.

(in) Government of India introduced a Margin Money Scheme with a vieᵥ to supplementing the efforts of the State Governments in reducing the incidence of sickness in the small scale sector. Under the liberalised scheme the maximum amount of assistance per unit available to sick small scale units for rehabilitation has •been increased from Rs. 20,000 to Rs-50,000.

Soviet Asistance for Karnal refinery

*196. SHRI GURUDAS DAS GUPTA:

SHRI CHATURANAN MISHRA;
